

Fun Hanging Shelf

You will need:

- Two pine offcuts: 22 x 69 x 500mm and 22 x 144 x 500mm
- A piece of plywood, also 500mm long
- Jigsaw
- Alcolin Fast Set Wood Glue
- Hooks and wall plugs
- Approx. 1,5m strong twine or chain

Instructions:

1. Draw a scalloped pattern on the plywood and cut this out with a jigsaw.
2. Using Alcolin Fast Set Wood Glue, join the small offcut to the back of the wide plank; also glue the scalloped edge to the front of the plank.
3. Clamp and allow the glue to dry.
4. Hang the shelf up on your wall with the hooks, wall plugs and two lengths of twine or chain.
